

## *Welcome Letter*

It is my great pleasure to welcome you to the 5th International Conference on Geoinformatics and Data Analysis (**ICGDA 2022**) which will be held from **January 21 to 23, 2022** in **Paris, France** with its co-located **ICSSE2022** conference.

The annual Conference on Geoinformatics and Data Analysis with its workshop Software and Services Engineering is the ideal and unique conference international to present, discuss progress and to share fruitful and rewarding exchanges in research, development, , and applications of the topics related to the Geoinformatics and Data Analysis, and Software and Services. **ICGDA 2022** and **ICSSE 2022** will offer high quality technical activities, including research sessions, poster sessions, tutorials, industrial presentations, etc. **ICGDA 2022** and **ICSSE 2022** will be a great conference for sharing the latest insights of academic and industrial research as well as to experience the exceptional environment of Paris, a city which has been at the heart of the tourist attractions, cultural, and scientific development since many centuries.

I thank you for your participation and look forward to seeing you in Paris, France.

Sincerely,

Conference General Chair

Prof. Salah Bourenane, Ecole Centrale Marseille, France
